### Participation Deposit-\$100 per Family (post dated 11-01-2018)

Marengo Union Junior Tackle Football Club could not exist without a strong commitment from our participating families. With this level of commitment from everyone, our club is able to keep the operating cost down and enable each parent/guardian to personally contribute to the program as a whole.

It takes many volunteers and many hours to ensure that our program runs smoothly and efficiently. The present and future success of the program is dependent upon your support. Understand that, after selecting time slots, it is your responsibility to know the date, time and location of assignments, and agree to be there promptly and serve your entire designated shift time. Also understand that if you cannot be present for one or more of your assigned time slots, you will find a suitable (adult) substitute, but it is your responsibility to do so.

#### Participation requirements for each family

Number of children registered	# of time slots you must fill
1 child	2 time slots
2 children	4 time slots
3 or more children	5 time slots

### Equipment Deposit- \$100 per Player (post dated 11-01-2018)

Marengo Union Junior Tackle Football requires an Equipment Deposit for the 2018 season. The Equipment Deposit amount for Football Players is \$100.00 per player and covers helmet, pads and pants. This check will not be cashed by Marengo Union Junior Tackle Football Club, but will be held for security until the equipment is turned in, **cleaned and in good condition** at the end of the season. Equipment turn in dates will be announced towards the end of the season

I have provided Marengo Union Junior Tackle Football Club with **two separate** checks each post dated November 01, 2018. **I understand that these checks will be cashed on November 1, 2018 if I choose not to fulfill any of my volunteer time slots or if I do not return all equipment in satisfactory condition.**

**In the event of a NSF Check, you will be contacted and required to pay the NSF fee of \$25 in addition to the original check amount. We will only accept cash or a Cashier's check at that time.**
